Arthritis symptom and flare tracker (7 days)

Living With Arthritis · Registered charity 1218461 · livingwitharthritis.org.uk/resources/symptom-flare-tracker

Day / date	Pain 0-10	Stiffness (mins)	Fatigue 0-10	Swollen joints	Sleep	Activity	Medicines taken	Flare? Y/N	Notes

Take this to your GP, physiotherapist or rheumatology appointment.

Red flags - get urgent help (NHS 111, or 999 in an emergency): a single hot, red, swollen joint with fever; sudden inability to bear weight; new weakness, numbness, or loss of bladder/bowel control.

Educational information, clinically reviewed by Louis Maxwell (HCPC PH128483). Not a diagnosis or treatment plan.
